A note about the lifespan of your named item and your plaque:

Plaques will be ordered following the successful completion of your pledge and will remain on display throughout the lifespan of the naming opportunity you selected.

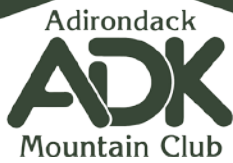

Exterior items (benches, chairs, bridges and other structures) must weather Adirondack winters and other conditions. ADK will repair and maintain the item as long as practicable but will eventually need to replace or stop using the item.

ADK reserves the right to maintain, replace, move, or otherwise alter a plaque or its display. We will do so in keeping with the intent of your gift. In the event that we replace or stop using the item, we will move your plaque to a new location on the same property.
